MORNING CEREMONY

Stay for morning ceremony and join in on the fun!

Mondays: Musical Mondays with Ms. Headley

Tuesdays: Student led

Wednesdays: The Golden Sneaker Award
Given to the class that has completed the most reading steps for the week.

Thursdays a student from each class receives a homework pass.

Fridays: Two names are drawn as **STAR** students from each cluster.

Grade-Level School "Families"

Our first "families" event was September 15th. Students from across grade levels met in small groups (their school "family" for the year) and completed art projects together. These events will be held once a month. Ask your student who their family is at school and how they connected with these new friends!

ANNUAL CAMPAIGN FUND

The **SCS Annual Giving Campaign** is essential to bridge the gap in the school's operating budget, as state funding falls short of meeting all financial obligations.

The **Annual Giving Campaign** relies on donations from parents and the community. Your gift to SCS Annual Fund directly supports our ability to offer a robust education and arts experience for our students

Your gift—no matter how big or small—can help.
Please see front office for details.

Interested in Volunteering?

We are happy to welcome parent volunteers to SCS!
Please see Kari or Paloma in the front office with questions and to receive a volunteer packet.

Learn about all things class and school related through the parent portal

Please reach out to the front office to gain access to ParentSquare.

We are excited to announce our first round of staff grants! These grants help support teachers' needs inside the classroom.

Volunteers Needed

Interested in supporting an upcoming SCS event or volunteering as a driver or chaperone for class field trips? Sign up online or inform a SCS staff member.

The school values parent and participant input to keep the environment unique and supportive. Email pto@scs.k12.ca.us for more information.
